

The background of the left page is a photograph of a sunset over the ocean. The sky is a gradient of yellow and orange, with a large white circle in the center. The ocean is dark and reflects the light from the sky.

IN THE BEGINNING GOD...

These are the opening words of the Holy Bible and rightly so for the Bible is the Progressive Revelation of Almighty God:

- Who He is.
- What He has done.
- What He is doing.
- What He is going to do!

As this revelation unfolds, we are introduced to the crowning glory of this awesome creation of God, Mankind. Unfortunately, soon after man's introduction into this magnificent creation, he brings by way of his open rebellion, a curse of death upon himself and a curse of chaos on all of creation.

This is BAD NEWS. But, there is GOOD NEWS that follows. From the inception of sin and its consequence **DEATH**, we see almighty God reveal His righteousness,

holiness, love, mercy, forgiveness and grace in providing the remedy for **SIN** and **DEATH**.

This remedy is ultimately revealed in the person of God's Son: **THE LORD JESUS CHRIST**. It is God Himself, come in human flesh that through the sacrifice of Himself provides the remedy for all of creation's ruin and rebellion. God's **GOOD NEWS** revealed is that through the substitutionary death and bodily resurrection of **JESUS CHRIST** all has been made right with Him. God's holy character of righteousness and justice has been satisfied through the death of His Son on the Cross of Calvary. What is required **NOW** is what has always been required by God: **FAITH, TRUST, TOTAL RELIANCE** upon **THE LORD JESUS CHRIST** as one's sole means of salvation, eternal life.

The closing words of the Bible are...

"The Grace of our Lord Jesus Christ be with you all. Amen."

Won't you respond to God's grace, His free gift of Life in the person of His Son, **THE LORD JESUS CHRIST** and place your faith in **HIM** alone?
