

The raising of our flag on Mt. Suribachi, Iwo Jima, during World War II is one of the great symbols that remind us of the sacrifice made to secure victory over tyranny. Victory has always come through sacrifice. Freedom comes at a high price. From the farmland of Concord, Massachusetts to the final resting place of Arlington, Virginia, **VICTORY** over **TYRANNY** has been realized through the shedding of **BLOOD**. The blessings that have come from this enormous sacrifice should never be taken for granted or forgotten. The **COST** of **VICTORY** is too high to ever forget.

Two thousand years ago in a quiet upper room a man took bread, broke it and gave it to His friends. He also took a cup of wine and gave it to them to drink. Then He said, "this do in REMEMBRANCE OF ME". These simple elements when partaken of were to be a constant reminder of the **COST of VICTORY** secured over the **TYRANNY OF SIN**.

SIN, man's rebellion against God, has cost him everything: an existence of hardship, heartache and **DEATH**. The only way to have **VICTORY** over this **TYRANNY OF SIN** is through the sacrifice of **BLOOD**. That is why God's Son, our Lord and Savior, Jesus Christ, came into this world of **SIN**. To redeem those

held captive, enslaved, condemned in **SIN**. This He accomplished on another mountain, Mt. Calvary. It was there He was lifted up on a cross to die for the sins of the world to secure **VICTORY** over the **TYRANNY OF SIN**. He cried "It is finished!" and the **VICTORY** was secured. Three days later this victory was sealed forever by His glorious resurrection. Today He offers **VICTORY — ETERNAL LIFE to ALL** who will by faith accept His Sacrifice of **BLOOD**.
