

# What Are You Worth?

"NOT MUCH in today's economy." is probably the response of most people. The world market, investment market and banking system would all seem to support the conclusion: My personal WORTH has gone down.

It has been said of today's world we know the PRICE of everything, but the VALUE and COST of nothing. This seems to reflect itself most graphically in our present Real Estate market. People have been paying the PRICE without regard for real VALUE and actual COST.

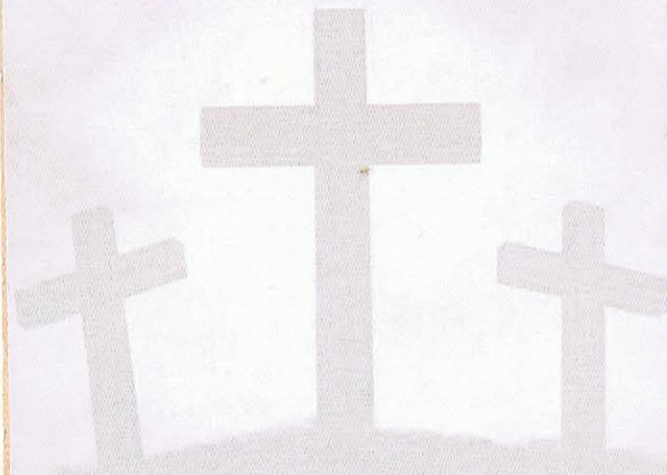

This is not so in GOD'S ECONOMY! You get what you pay for! God's Word declares "God is not mocked for whatsoever a man soweth that shall he also reap." and "For the wages of sin is death." Jesus said, "If you believe not that I AM (the eternal one) you shall die in your sins."

In the world economy, man is trying hard to bring some restitution and redemption to the present financial crises. But as long as GREED motivates, the chaos will continue. Not so in God's Economy! Restitution, redemption have been provided as a GRACIOUS GIFT by a Loving Father! Although "the wages of sin is death" the rest of that declaration of God is "But the GIFT of God is ETERNAL LIFE through Jesus Christ our Lord."

God's Word declares, "For as much as you know that you were not **REDEEMED** with corruptible things as silver and gold from your empty way of life passed down from your fathers, but with the **PRECIOUS BLOOD OF CHRIST.**" **WHAT ARE YOU WORTH?** In God's economy you are PRICELESS — of GREAT VALUE for it COST Him the

death of His Son to purchase you unto Himself. Faith in the crucified, risen Christ is ACCOUNTED — PUT ON YOUR ACCOUNT AS RIGHTEOUSNESS.

**THAT'S REAL VALUE.**
